Author: John James, Training and Development Coordinator, Centre for Rural and Regional Innovation – Queensland (CRRRI-Q)

Theme: Education and Engagement

Session: Workshop

Description: How can we best work with adults to maximise their learning? Instead of trying to push them where we want them to go (herding cats), how can we help them get to where they want to be (soaring like eagles)? This interactive workshop will not only outline the theory of adult learning, but also apply it in action in a fun and entertaining way.
